### THE LATEST NUMBERS: NEW TARIFFS HITTING OHIO ECONOMY HARD

- According to the most recent data, Ohio businesses paid \$126 million in tariffs on products subject to Trump Administration tariffs in December. That is about 8 times the tariffs paid on those same products in December 2017.
- Since new tariffs were imposed, Ohio businesses have paid an extra \$507 million in import tariffs.
- Since the trade war began, Ohio exports have faced \$276 million in new retaliatory tariffs from our trading partners, including \$42 million in December. These tariffs make Ohio less competitive. In December, Ohio exports subject to retaliation dropped by 34%.

President Trump should successfully negotiate with our trading partners and end these costly and harmful tariffs. Ohio jobs are on the line.
