THE LATEST NUMBERS: NEW TARIFFS HITTING MISSOURI ECONOMY HARD

- According to the most recent data, Missouri businesses have paid an extra \$454 million in import taxes on products subject to Trump Administration tariffs, including \$42 million in September.
- Tariffs on China “List 3” goods accounted for \$243 million of the new taxes paid to date. Missouri imported \$2.1 billion of “List 4” products in 2018, of which \$976 million started facing additional tariffs of 15% on September 1, and the rest will face additional 15% tariffs starting December 15.
- Since the trade war began, Missouri exports have faced \$260 million in new retaliatory tariffs from our trading partners, including \$17 million in September. These tariffs make Missouri exports less competitive.

President Trump should successfully negotiate with our trading partners and end these costly and harmful tariffs. Missouri jobs are on the line.
